**THE FORUM FOUNDATION  
HAS SERVED THE COMMUNITY  
SINCE 1983**

As one of the oldest lesbian, gay, bisexual, and transgender organizations of the community, we started developing a positive self-image through the Whitman-Brooks Conference. This one-day event featured educational seminars and workshops with an emphasis on increased self-esteem, emotional support, and community awareness. This was a popular tradition until 1988.

From 1991 to 1995, the Living Well Conference was established to continue the Whitman-Brooks tradition of offering an inspiring day of education and enrichment for the LGBT community.

In 1995, the Forum Foundation identified the need to provide educational scholarships to the youth of the LGBT community.

**SUCCESS DEPENDS ON YOU!**

In the ongoing quest for civil rights, it is our responsibility to be advocates and supporters of higher education and advanced training for our community. An educated and prosperous society is also a tolerant one. The Forum Foundation, with your assistance, will enable students in our community to create that tolerant society. These students will continue to pursue equality for all people.

**Yes! I want to help qualified Michigan students of our community further their education.**
